SUBMITTAL OF
DOCUMENTS PURSUANT TO DUTY OF DISCLOSURE

Pursuant to applicant's duty of disclosure under 37 CFR Section 1.56, enclosed is a completed form PTOL-1449 which lists the documents relating to the above-referenced patent application. Since this document submittal is being presented prior to the first examination on the merits, no fee is due herewith.

Attached are the following documents:

CH 14 641 A; Pierre Bone; May 22, 1897; discloses a clock with two scales, each scale running from zero to 180. The number of divisions of each scale is 18, each division corresponding to an increase of 10.

GB 846 436 A; Batori Company, Inc.; Ulysse Nardin; August 31, 1960; discloses improvements in or relating to a Chronometer; and also discloses the mechanism and features of the chronometer.

DE 19 05 047A; Uhren Pforzheimer Rohwerke; August 6, 1970; discloses a clock with a scale running from zero to 360 degrees. The number of divisions of the scale is 24, each division corresponding with 15 degrees. Pointers (2, 3, and 4) are provided that relate to hours, minutes and seconds respectively -- see figure 1 and page 3 line 11.

WO 2003/085460; World Clock; Albert Van Selst; October 16, 2003; discloses a clockwork mechanism.

The listed documents are brought to the Examiner's attention because they are known to the applicant and/or the applicant's attorney and may be considered by the Examiner to be material to his/her examination. This listing should not be construed as representation that a search has been made or that no better art exists. No inference should be made that the documents are in fact material merely because they are referenced herein. Moreover, no representation is made that the brief descriptions of the references herein necessarily describe the most material aspects of the references. Further, by this listing, the applicant is not making any admission regarding the relative dates of the invention and listed disclosures.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jay P. Sbrollini". The signature is fluid and cursive, with the first name "Jay" being prominent.

Jay P. Sbrollini
